

## **Dart Trippin' Rules**

- 1. Only GNDA members may participate.
- 2. Entry fee is \$1 (in addition to the normal draw entry fee).
- 3. Points will be accumulated at approved weekly and inter-session blind draws.
- 4. Participation in the draw does not require participation in Dart Trippin'.
- 5. One point will be rewarded for each of the following:
  - a. Entering the draw
  - b. Advancing a round (including byes)
  - c. Winning the draw
  - d. Hitting a round of nine, T80 or deadeye
  - e. Checkout of 100 or more
- 6. Dart trips will be chosen by the GNDA Board of Directors
- 7. Dart trips will be decided by the cost of the trip and money available in the Dart Trippin' fund and will be approved by the board 4 weeks before the points cutoff date.
- 8. Points accumulated after that cutoff date will be applied to the next dart trip.
- 9. After the cutoff date, the player with the most points will be asked if he/she can take the scheduled trip. If he/she cannot go, the player must notify the Board within 10 days. A member has the option of declining one trip. If a member declines two consecutive trips, his/her points revert to zero.
- 10. After a trip is taken, the winner's points up to the cutoff date will be set to zero; all other participants' points will remain.
